

NEW for 2012

# TRIDENT ULTRA 4.3™

First introduced 'down under', the Trident Ultra series was crafted in collaboration with pro kayak anglers from around the world. Fast and nimble the Ultra 4.3 can handle ocean swells and glide through calm waters with surprising speed. Based on the Trident Ultra 4.7 this shorter sibling is loaded with even more innovative features making it the new benchmark for fishing kayaks.

## COLORS

The Click Seal hatch secures your gear with just one click.

This unique multifunctional reversible center hatch cover has attachment points for fish finder and other accessories. The cover rotates to protect fish finder in surf conditions.

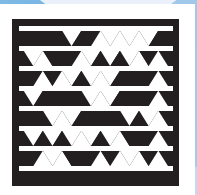

Oversized tank well designed to take the foam insulated Ice Box Storage Pod sold separately (see accessories).

## COMFORT ZONE™ SEAT BACK

Our most comfortable seat back, designed for all day fun on the water. The Comfort Zone is taller for additional back support and the seat padding has more cushion making it a softer ride.
