BANZAI™ NEW FOR 2013

Fun on the water is the name of the game. That's exactly what you get with the Banzai, our sit-on-top kayak made especially for kids. The low-profile, kid-friendly seat allows easy movement and more mobility for small bodies. The Banzai's innovative Tag Along Tow System, an essential for parents, lets you tow your kids when they're too tired to paddle (though probably not too tired to splash). This playful and maneuverable kayak is perfect for kids who are just learning to paddle.
